📍 No. 2699 Qianjin Street, Changchun    🌐 [Paulliant](#)

## EDUCATION

**Bachelor of Computer Science** at Jilin University *09.2021 - Present*

- Academic Performance:
- GPA: 3.94/4.0
  - Average: 94/100
- Main Courses:
- Integrated Programming
  - Object Oriented Programming Design
  - Operating System
  - Database System Principle
  - Linear Algebra
  - Mathematical Analysis

## AWARDS AND ACHIEVEMENTS

### Awards

- China National Scholarship (0.2% in China)
- UNIQLO Scholarship (50 recipients per year in China)

### Achievements

- The ICPC International Collegiate Programming Contest Regional Gold Medal
- The ICPC Asia East Continent Final Contest Silver Medal
- China Collegiate Programming Contest Regional Gold Medal
- China Collegiate Programming Contest Final Silver Medal
- Northeastern China Collegiate Programming Contest Champion
- International Genetically Engineered Machine (iGEM) Competition Silver Medal

## RESEARCH EXPERIENCE

**Research Intern** at Renmin University of China *08.2023 - 12.2023*

- Specialized in advancing the capabilities of large language models for text-to-SQL, KGQA and table-QA applications.

**Undergraduate RA** at Jilin University *01.2024 - Present*

- Concentrated on developing and refining motion prediction and sim agents models for vehicles in urban environments.

## CERTIFICATES

- Japanese-Language Proficiency Test (JLPT) N1: Score of 150/180
- Test of Practical Japanese (J.TEST) A-C: Score of 820/1000
- Test of English as a Foreign Language (TOEFL) iBT: Score of 94/120
- College English Test Band 6 (CET-6): Score of 602/710

## INTERESTS

Language learning, Japanese Mahjong, singing, chess
